At 1000e20, what is imagined becomes reality. In our atelier of Dreams, we produce and tailor - into the smallest details - projects that goes beyond one's imagination and every story for us is a creative challenge. Our mission is to create reactions, generate emotions, and stimulate untapped possibilities, writing stories that has never been told before.

As a nationally recognized event planning and production agency, 1000e20 has elevated the standard of excellence in event project, design and image consulting for over 20 years.

Transforming contemporary visions into legendary events, driving brand campaigns, creating one-of-a-kind weddings, staging extraordinary photoshootings. We pursue high style concepts that are authentic and tempting.
